Dr. Frank-Steffen Walliser,
Head of Porsche Motorsport
(Le Mans 2016)

Dr. Frank-Steffen Walliser joined Porsche as a mechanical engineering student in 1995.

With a doctoral degree in mechanical engineering specialising in combustion engines and technology management, Dr. Frank-Steffen Walliser held the position of General Manager of Motorsport Strategies at Porsche from 2003 to 2008. As the overall project manager of the 918 Spyder from November 2010, he was responsible for the development of Porsche's ground-breaking super sports car.

Porsche motorsport is familiar terrain for Dr. Frank-Steffen Walliser. A native of Stuttgart, Walliser took over as the Vice President of Motorsport at Porsche on 1st October 2014. In this role, he is responsible for the worldwide GT motor racing activities for both the factory team and Porsche's customer teams. He will also be responsible for GT production sports cars, while remaining as project manager for the 918 Spyder project.

Frank-Steffen Walliser is married and the father of two children.
